ADVISORY ACTION

This Office Action is in response to Applicant's proposed amendment and response after FINAL filed on 8 December 2008.

Applicant's proposed amendment deleting several limitations in the proposed amended claims 1 and 13, the independent claims, presents a new issue for search and consideration by the Examiner since the limitation of the claims and scope of claims have been changed and would thus require a new search and new rejections.

Therefore, the proposed amendment After Final will not be entered.
